Dear seniors and parents,

Graduation is fast approaching and we are excited to host our first ever commencement for the Palm Beach Virtual School. By being a part of the first graduating class in Palm Beach Virtual School, you are leading the charge for virtual education in Palm Beach County. We are proud of all that you have accomplished so far, and we can't wait to see you walk across the stage at graduation.

In the next few weeks, expect to receive a package in the mail from Herff Jones regarding class rings, graduation announcements, and caps and gowns.

Although graduation is so close, please don't lose sight of what still needs to be accomplished. Continue to perform well in your classes and make sure that you pay attention to the list of important dates below.
